INTRODUCTION

The 1961 edition of the Roster of State and Local Officials follows the plan used in previous editions. The penal and correctional institutions are listed under the Department of Correction and the Administrative Unit for Special Institutions is listed under the Board of Health.

With the opening of a new exchange to handle the telephone service of both the State House and new State Office Building, the publication of telephone numbers of state offices in Indianapolis is being discontinued. For information relative to the proper person to call, place your call to ME 3-4000, as it may then be transferred to the proper individual.

The new State Office Building which is shown on the cover is located at 100 North Senate Avenue, Indianapolis, Indiana.

We appreciate the cooperation of state and local officials in supplying the information covering state, county, city and township officers. There is the possibility of some errors in names, addresses and expiration dates for the term of some officials; we have checked the lists with all available sources and feel confident that the listings as printed can be relied upon for all practical purposes.

No attempt is made to arrange major departments, operating units or territorial subdivisions on any basis of legal importance.

The Roster is issued for use by the officials in Indiana and for its citizens and institutions having need of the information contained in it. We are interested in improving its usefulness and will welcome suggestions from those who have the opportunity of inspecting it.

We are printing 5,000 copies of this edition; free copies of the Roster may be obtained by addressing the State Board of Accounts, Statistical Department, 912 State Office Building, Indianapolis 4, Indiana.
